The screenshot shows a mobile application interface for '간편결제' (Easy Payment). At the top, there's a status bar with icons for location, messages, and battery, along with the time '오후 2:51' and 58% battery. Below the title bar, there are two sections: '계좌정보' (Account Information) and '결제정보' (Payment Information). The '계좌정보' section shows '결제계좌' (Payment Account) as '010108-00-000000' and '예금잔액' (Account Balance) as '117,151 원'. The '결제정보' section shows '매장명' (Merchant Name) as '작은마트'. Below this, there's a note: '• 매장명을 확인하신 후 결제금액을 입력하여 주시기 바랍니다.' (Please enter the payment amount after confirming the merchant name). There is an input field for '결제금액' (Payment Amount) with a unit of '원' (won). A dashed blue box with a '1' in a circle highlights this input field. At the bottom, there are two buttons: '취소' (Cancel) and '결제' (Payment). A dashed blue box with a '2' in a circle highlights the '결제' button. The bottom of the screen shows the standard Android navigation bar with back, home, and recent apps icons.
